

Encore[®] NF Series

Flex Your Forecourt

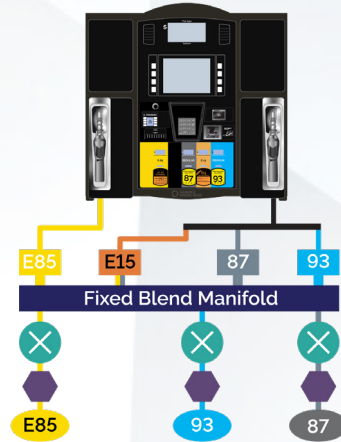

Meet the next generation in fuel blending. Your customers are demanding more and more alternative fuel options. The Encore NF Series helps broaden your fuel offering while keeping the fueling experience simple and safe. With the industry's broadest set of flexible fuel options, the NF Series offers up to six product selections from one fueling position. It's a smart investment that lets you maximize branding and sales opportunities, while keeping the numbers of tanks needed to a minimum.

- **Configurations:** Six different models available
- **EMV-ready:** No EMV worries with Encore Flex Fuel dispensers
- **Rich Media:** Applause[™] TV or Applause Media System on 10.4" color screen is available
